

Living Hope Lutheran Church

Congregational Meeting 03/ 13/2022

- Joe Georgeson opened meeting
- Joe read the Motion which reads as follows: I move that based on the recommendation of the Living Hope Church Council, the congregation approves the selling of 4 lots on the south eastern corner of the Living Hope property, for the purpose of financing the necessary improvements required by the village of Saukville to our water and sewer facilities at Living Hope and the improvement of the parking area and other adjacent areas of the church's property, and that Jerry Baganz and Chris Lear act on behalf of the church in negotiating the price of those improvements.
- Joe informed congregation the Council approved the sale of the 4 lots for fixing the parking lot and having the Sewer and Water hooked up
- Joe turned the presentation over to Jerry Baganz
- Jerry had 3 slides to help explain the aesthetics, and financial impacts of said project
- Jerry explained all about the Emerald Ridge subdivision and how it would impact our church
- Joe motioned for a vote, Gary Myrah seconded
- Jerry asked for questions from the congregation
- Jerry and Chris Lear answered the questions that had been asked
- Joe again asked for the vote
- Motion was approved
- We were adjourned
