

Living Hope Lutheran Church Council

Meeting minutes November 22.2021

- Chris Lear opened with prayer
- Alex Pieper spoke first – she updated us with what is happening at Lighthouse. She informed us Ericka is leaving, also looking for a replacement for Jeff. Asked for a continuation of support. She expressed the need to better understand what the community wants such as tutoring, spiritual learning, social programs, etc. Alex will attend council meetings quarterly going forward.
- As a council we discussed Trinny’s last day which is December 5th. We approved a gift for her and also for Henry.
- We discussed Christmas. Service, Decorating, and an additional later service that will take place at CTK.
- Pastor Jerry took the floor. He asked that a sign be made for the church that is “closed” every other Sunday to direct potential worshippers to the other church. He requested that we reach out to those not attending church with a friendly phone call. He inquired about the call process, and where we are with that.
- As a member of the Call committee, I informed the council of our upcoming meeting with Pastor Kristin Nielson of the synod. We are now waiting for candidates.
- We concluded with the Lord’s Prayer.
